SIGNATURES

The values set forth herein are an estimate of the current replacement cost at which the appraised jewelry may be purchased in a retail jewelry store and reflects the price at which the appraised or similar jewelry may be purchased at this store (unless stated otherwise). Because jewelry appraisal and evaluation is not a pure science and therefore subjective, estimates of replacement value may vary from one appraiser to another and such variance does not necessarily constitute error on the part of the appraiser.

This appraisal is given to the customer named above and shall in effect provide customer and their insurer the terms and conditions printed on the reverse side of this appraisal. The provisions of this appraisal shall inure to the benefit of the named customer's insurance company to the same extent that they would the customer named herein.
